A Founding Board Member's Story

Anthony (Tony) Cinquanta, MSW, LCSW, BCD, is a United States Army Veteran, recipient of several awards and honors, and co-founder of *Homes for the Brave*. In forming the organization, he was awarded a grant for Grant Per Diem housing but knew our Veterans needed help with education, vocation, treatment and other services. Together with Dr. Laurie Harkness, PhD, Jim Boland, Marine Corps Veteran, and Roz Liss, the group launched the Applied Behavioral Rehabilitation Institute, Inc. dba *Homes for the Brave*.

"Most other housing programs of this nature were short-term and had limited services. We offered a transitional housing program with comprehensive development services," said Tony. "It's important for our nation to realize and appreciate what Veterans have done. If we extend a helping hand they can become a productive part of the community again. We've seen it happen here."

Tony continues to serve as an active member of the *Homes for the Brave* Board of Directors. We are deeply grateful for his sustained support.

Mission Statement

With an emphasis on Veterans, we provide the housing and services necessary to help homeless individuals return to a productive and meaningful life.

Vision Statement

Our vision is to provide a model to enable homeless men, women and their families, especially those who have served our country, to attain safe, affordable housing, meaningful life activity and a livable income so that they may return to a productive and meaningful life.

DEAR FRIENDS,

ABRI/Homes for the Brave is privileged to be in our **15th year of serving homeless men and women, primarily Veterans**, and helping them overcome their obstacles and achieve positive housing and employment outcomes. Because of your extraordinary support, we have helped more than 1,100 men and women face their most formidable struggles and take strides towards self-sufficient and rewarding lives.

2017 was a remarkable year and we'd like to highlight a few of the accomplishments of our residents. As in past years, many of our residents continue to be successful in pursuing and obtaining employment – allowing them greater independence. A highlight this spring was when sixteen current and former residents collaborated with The Regina A. Quick Center for the Arts at Fairfield University to create a production titled “War Stories”. This compelling dramatic piece was performed at the Quick Center as well as the Brooklyn Academy of Music (BAM). We are grateful to Quick Center Executive Director Peter Van Heerden who worked with Nina Bentley and Sonya Huber to bring “War Stories” to life. Our men and women who participated exhibited courageous storytelling to relate their experiences and every performance received a standing ovation from the deeply moved audiences.

We continue to be supported by an outstanding Board augmented by our many dedicated, loyal and growing base of supporters. Building new relationships is critical as this support enables us to fulfill our Mission.

Our terrific staff works incredibly hard to provide guidance, case management, vocational services, and life skills coaching to our residents. They routinely arrive at work with the mindset to “do something amazing every day.” Our staff embraces their challenges and creatively finds ways to put our men and women on the path to independence and success - we could not be prouder of them.

As we enter into our next year, we extend a heartfelt thanks to all of the volunteers, donors, and supporters who have helped us at *ABRI/Homes for the Brave*. We hope that you enjoy our 2017 Annual Report - and respond by supporting our critical and necessary work with a tax-deductible contribution using the attached envelope. We thank you in advance for providing much needed assistance to our men and women who have sacrificed so much, for all of us, serving our nation.

Very Truly Yours,

Rose Ogrinc

STORIES OF SUCCESS

WAR STORIES: A VETERANS PROJECT

On March 31, 2017, the curtain rose on WAR STORIES: A Veterans Project. This collaboration between Fairfield University's Quick Center for the Arts and *Homes for the Brave* resulted in an educational, emotional, and therapeutic experience for its actors and audience members alike.

In WAR STORIES, sixteen past and current residents of our programs bravely shared their personal narratives about the wars they have fought. For many, the battles began before they reported for duty, while others met their demons during and after their service to our country. Two of the participants had not served in the military, but poignantly brought light to the societal factors that lead to the inner-wars many of us face. All performances were touching, genuine, and flawless.

We thank creators Peter Van Heerden, Nina Bentley, and Sonya Huber for giving our residents the gifts of expression, healing, and growth. We also extend our gratitude to Fairfield University, the CT Office of the Arts, and the National Endowment for the Arts for supporting the actors' salaries, thereby furthering their vocational goals. And of course, we want the performers to know how very proud we are of their generous and courageous storytelling.

FROM THE DIRECTOR

It is our duty as citizens and people to reach out and lift up and help those in need, those less fortunate than ourselves. The men and women in this project may have lost their way at some point, but they have now found their path, and are some of the most courageous, brave and powerful people I have met. Their stories are WAR STORIES of life, THEIR LIVES, told in THEIR voices. It has been an honor and a privilege to work with these Veterans and share in their lives and stories.

- Peter Van Heerden

STORIES OF SUCCESS

“SEAN’S” STORY

“Sean” came to *Homes for the Brave* with numerous challenges after his successful career in the US Army. He needed assistance in preparing for a career change and help discovering his new horizon. “Sean” was motivated and enthusiastic, learning independent life skills and working with his Vocational Specialist to identify a new path and complete necessary trainings. They worked together on his resume and helped “Sean” develop confidence for interviewing. With his newfound skillset and determination to establish employment and permanent housing, “Sean” landed his dream job and now happily lives an independent life, often visiting *Homes for the Brave* to inspire other residents.

“MARIA’S” STORY

After a successful career in the US Air Force with a solid background in Information Technology, “Maria” relocated to Connecticut where she saw more employment opportunity and to be closer to her family when her post-service employment ended. She enthusiastically engaged in the *Female Soldiers: Forgotten Heroes* program, taking decisive action to acquire employment. Her strong interpersonal skills served her well as she researched and targeted specific companies where she felt she could add value, landing several job offers. Since becoming gainfully employed and securing permanent housing, “Maria” married and started a family. She is a mentor to Veterans and works with girls who are on probation or going in the wrong direction, offering problem solving and a support system. “Maria” shared, “I love my job! The work is tiring but rewarding. One girl just graduated high school. The successes outweigh the negatives.” **“Maria” is a role model of what can be accomplished when a Veteran engages on a mission.**

OUR EVENTS

You golfed, you laughed, you climbed...YOU made a DIFFERENCE!

Annual Homes for the Brave Golf Classic

This year *Homes for the Brave* held both the 12th and 13th *Annual Homes for the Brave Golf Classic*. The two events were a tremendous success. In addition to playing challenging rounds of golf, attendees enjoyed a variety of contests and prizes, and competed for exciting auction items.

Annual Step Up For The Brave Stadium Stair Climb

On September 24, 2016, approximately 150 Veterans, fitness enthusiasts, and supporters laced up their sneakers and ascended stadium stairs to raise funds for *Homes for the Brave*. A course of 1,000 steps was created at the Ballpark at Harbor Yard in Bridgeport, Connecticut, where participants set goals and challenged themselves to climb as many stairs as they could within two hours. "There's no competition here, it's about personal best; just as we want our Veterans to do their personal best to overcome obstacles," said Board Member Bernadette Baldino.

Mini Golf Tournament

Held Veterans Day weekend, over 90 'golfers' celebrated the men and women who have served us all at the *Homes for the Brave Mini-Golf Tournament*. Players enjoyed 18-holes of indoor miniature golf along with a cocktail reception, awards dinner, and chances to win exciting prizes and auction items.

Homes for the Brave Comedy Night

January 20, 2017 marked the first-ever *Homes for the Brave Comedy Night*. The evening, hosted at Vazzano's Four Seasons in Stratford, Connecticut, drew over 280 guests and featured a hilarious lineup of Treehouse Comedy pros, including two U.S. military Veterans. THANK YOU JOHN!

It is with gratitude and appreciation that ABRI staff, board, residents, and friends celebrate the retirement of John Porto.

As the doors to the agency opened on July 15, 2002, John was there, and he remained loyally involved in its development and operation for 19 years. July 1, 2017 marked the end of his journey as Chief Operating Officer and Clinical Director, but the beginning of a new chapter, his Floridian retirement.

“I’m looking forward to retirement, but I have been here since its inception, so it’s an emotional departure,” said John. “It has been a pleasure and an honor to be involved with over 1,100 residents who have passed through these doors. I am leaving the company in good hands that will continue the great work we have been doing since 2002.”

We gratefully acknowledge the generous support of our donors who have contributed to ABRI's mission from July 1, 2016 - June 30, 2017. These contributions support housing operations, health and human services, and vocational and life skills training. Our programs provide the foundation to help individuals achieve their goals. Generous support creates positive change and inspires our residents to begin their life-transforming journey.
