ELEVATING OUR

EXCELLENCE

HOMES FOR THE BRAVE

Applied Behavioral Rehabilitation Institute, Inc.

OUR PROGRAMS:

Homes for the Brave

Homes for the Brave (HFTB), which opened in 2002, provides 42 beds of transitional living for Veteran and non-Veteran men experiencing homelessness with 37 spaces designated for Veterans. It is the largest Veteran program of its kind in the state of Connecticut.

Madaras House (Female Soldiers: Forgotten Heroes)

The PFC Nicholas A. Madaras Home, which opened in 2011, provides transitional housing for up to 14 Veteran women experiencing homelessness and their young children. It is Connecticut's first and only program exclusively for this population.

HFTB West Haven

HFTB West Haven is a transitional housing program that opened in 2022. It consists of two houses, serving up to 15 Veteran men who are experiencing homelessness.

Waldorf House

Waldorf House provides permanent supportive housing with case management services for nine Veterans and non-Veterans who were formerly homeless. Residents pay 27% of their gross income for rent, including utilities.

Tony Cinquanta Veterans Service Center

The Tony Cinquanta Veterans Service Center at HFTB opened in 2010. It caters to Veterans experiencing housing instability or those who are at risk of becoming homeless. Individuals can seek help with immediate basic needs. Staff also makes referrals to housing and other supportive services. Services include case management, life-skills workshops, meetings with federal legislative staffers, peer support sessions, and therapy dog visits.

Training for Success Vocational & Educational Program

The Training for Success Vocational & Educational Program offers employment services. Staff work one-on-one with clients on resume writing, job searches, and interview preparation. They connect Veterans with available educational benefits and help provide funding for job training. HFTB's vocational program also offers job prep workshops and computer skills classes to all Veterans.

Clinical Program

The Homes for the Brave Clinical Program addresses the gap in services for mental health and substance treatment needs of Veterans and their family members in our area. Clinical programming includes access to recovery-oriented therapy and wellness programming offering telehealth and in-person sessions with licensed clinicians.

Dear Friends,

In 2023, Homes for the Brave embraced significant opportunities to expand while steadfastly maintaining our commitment to delivering excellent services to the Veterans we are honored to support.

In collaboration with the Veterans Support Foundation, we opened two houses in West Haven, CT in 2022, and they have seen extraordinarily high occupancy levels. These properties have been impeccably cared for, and thanks to the generous contribution from Love, Tito's on June 2, 2023, we were able to establish flower and produce gardens at our Union Avenue site. Gardens at Bassett Court will soon follow, and the resulting bounty of fresh produce has significantly enriched the stay for our Veterans. We have had produce gardens in Bridgeport for several years, and we look forward to reopening them in 2024 after our construction is completed.

The Tony Cinquanta Veterans Service Center, situated in our downtown Bridgeport Annex, has expanded its reach, assisting over 151 Veterans and their family members benefiting from our services at this location. In addition to providing the expertise of our Outreach Case Manager, Therapist and Lead Vocational Specialist, we have established valuable partnerships with organizations such as the University of Bridgeport's Fones School of Dental Hygiene, enabling us to deliver essential programming and services to those in need within our community. We have also been able to open the space to community support groups, such as Alcoholics Anonymous and hope to develop more partnerships to serve Veterans and their family members. Furthermore, over 20 Veterans who were facing housing instability found their way to Homes for the Brave through our Annex, ultimately coming to our housing programs.

Finally, on June 9, 2023, we held a Groundbreaking Ceremony at our headquarters on Park Avenue in Bridgeport. This marked the expansion of our namesake facility to include a new wing, twelve private suites, and a much-needed elevator. Individuals, families, businesses, and organizations can be a part of this initiative and demonstrate their support for our Veterans by purchasing a brick or naming a bench, an area on our grounds, or a room within our facility.

As we look back on this year, we must express gratitude to our outstanding Board of Directors for their guidance and to our remarkable team of dedicated professionals for their focus on and commitment to serve our Veterans.

We also express our gratitude to you for your unwavering support, as it continues to empower us to provide comprehensive and wholistic services to both Veterans AND their families.

Very Truly Yours,

Johnny Vazzano
Chairman, Board of Directors

BREAKING GROUND

Continuing our remarkable journey of growth, on June 9 we celebrated the groundbreaking of our \$3.5M Park Avenue headquarters renovation. A new elevator will improve accessibility, and twelve private suites will offer enhanced privacy, comfort, and personal space for residents, to further foster an environment conducive to healing and growth. These vital enhancements will enable us to further the support and resources offered to the courageous individuals who have selflessly served our nation.

We thank the US Department of Veterans Affairs and the US Department of Housing and Urban Development, as well as the CT Department of Economic and Community Development for helping to make this expansion possible.
